

FC10

Features	Benefits
Cat. I hitch	Fits tractors up to 45 horsepower.
Quick Hitch compatible	Makes it easy to hook-up to the cultivator.
Heavy-duty angle frame with C-channel support brace	Angle frame stands up to rugged treatment. C-channel support brace helps stiffens the angle frame.
Stabilizing C-tine support brackets	Holds C-tine shanks straight.
Adjustable C-tine shanks	Shanks can be adjusted to operator preference. Shanks can be adjusted to clear row crop such as sweet corn.
High drawbar clearance	Allows the cultivator to operate in the ground without moving or removing the drawbar.
