<b>Max. Turning Angle</b>	80° with Constant Velocity U-Joint
<b>Tires - 6 or 8</b>	21" Laminated 29" Used Aircraft 25.5" Foam-Filled
<b>Transport Lights</b>	Standard

## WRANGLER

Land Pride's RC4615 combines the best of our RC4015 and RC5615, along with a host of new features, to create a soon-to-be leader in the folding cutter market.

Combine Land Pride's proven deck design of the RC4015 with the rugged gearboxes from our RC5615; then add in the dependable axles and drivelines from the RC5615 and the new RC4615 is born. Made for pasture maintenance yet heavy enough for contractor use, the RC4615 is a solid, heavy-duty cutter from the leader in Folding Rotary Cutters.

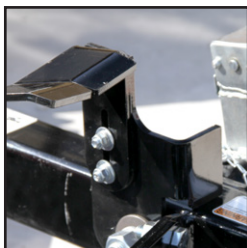

The RC4615 boasts some impressive features: 3.5" cutting capacity, 250 HP divider gearbox, 210 HP center and wing gearboxes, Cat. 6 main driveline, Cat. 4 wing drivelines, 10 gauge solid welded deck, and beveled skid shoes to prevent gouging.

Drivelines on the RC4615 feature end-cap grease zerks for superior servcability.

Beveled wing skid shoes prevent gouging when traveling over uneven terrain.

PTO Support bracket aids in hooking up heavy drivelines then folds away when cutter is in use.

New from LP – our self-leveling Performance Hitch is draw-bar friendly and easy for one person to hook up.
